Old Business:

An introduction of members and guests. Bob Buck discussed appointing Committee to discuss new Inspection Stickers. A request for feedback was posted on the ILLOWA Web site and no governmental members responded. Only 4 contractors responded and they were all positive and supportive of ILLOWA creating a standard Inspection Sticker for the member municipalities. MidAmerican stickers were re-discussed. Jesse Diaz noted that they are too small for 60 and 100 amp services. Bob Buck mentioned collecting feedback on these and eventually proposing a change in size and type to MidAmerican. Inspection Checklists were re-discussed. Bob Buck discussed appointing a committee to start creating this uniform document, Bob will propose a date for this meeting during the second week in August. Tom Ayers and Bob Buck have already agreed to be on this committee and contractors will also be invited to attend. Bob Redecker voiced his concerns about the creation of this standard checklist. Moline no longer does wall or screw count inspections and has concerns that uniform document will cause some confusion for the contractor.

New Business:

Bob Buck announced that member Ray Nees will be working for Cedar Rapids. His last day at Rock Island County was July 20, 2012. Bob discussed the need for a new representative to attend the ICCA meetings on a monthly basis. Since Bruce Crowe was in Springfield for an ICCA meeting, Joe Mason made a motion to table the issue until the August meeting. The September meeting/training and Steak Fry were discussed. A motion was made by Bob Buck to hold an Executive Meeting only to discuss business in September and keep that meeting open to anyone else that wanted to attend. Bob Buck will propose a date and confirm the location for the Steak Fry. That will be sent out to all members as soon as it is decided. Bob Buck brought up ICC Scholarships available for Final Action Hearings. Tom Ayers mentioned that 2 and possibly 3 ILLOWA representatives will be attending Oregon in October 2012 from Rock Island and Joe

Mason mentioned that he planned on attending as ILLOWA representative from Moline. Greg Thorpe discussed Chapter Training.

Open Discussion: Ray Daufeldt mentioned that Blue Grass adopted the 2009 Codes in early 2009 with no amendments and that his jurisdiction is not enforcing sprinklers in residential dwellings. Discussion ensued. Steve Gugliotta asked the group about their experience with temporary ramps in 1&2 family zoning districts. Discussion ensued.

Motion to adjourn by Greg Thorpe and seconded by Ray Daufeldt; meeting adjourned at 12:42 hours.

Respectfully submitted: Jessica James – Acting for Autumn Rohwer - Secretary
