Business Meeting:

- Introduction of members and guests.
- **Ray Nees –**
 - Tom Ayers memorial discussion. Steve Moller will lead the project and has spoken with Rock Island Parks Dept about a tree with a bronze plaque being installed at Sunset Park near the shelter we use for our annual steakfry. Motion made by Greg Thorpe to approve up to \$800.00 for a memorial in his honor and seconded by Jim Chapman; none opposed. Motion Passed. Steve Tondi with AGC pledged to match ILLOWA's donation.
 - ILLOWA memberships are due Feb 28th, 2019. \$25.00 annual or \$220.00 for yearly lunches.
 - Ideas for topics for future code corner discussions. Maybe a solar presentation with MidAmerican Energy in April.
 - Bob Buck said ICC will require member numbers listed on sign in sheet for classes beginning July 2019. Please carry your wallet card with you to trainings.
 - Need volunteers to man the home show booth Feb 8th-10th. ILLOWA has some name tags, if you need more contact QCBR. Also contact Julie for VIP tickets to Thursdays party.
 - Davenport Residential class presented by BFCA and Rich Piccollo was well attended and the participants had good reviews.
 - QC Regional Disaster conference is April 2nd at QC Waterfront Center.

- NIMS Training (National Incident Management System). Jurisdictions should communicate with your county's emergency preparedness official to form a partnership and be prepared if a disaster occurs.
- Checkout UL's new search tool online. You can type in any topic and the search results will provide with numerous options.
- Discussed and passed around new can light you may see in the field.
- **MEC –**
 - Changes to Gas and Electric territories, contact information will be sent to Ray and QCBR.
 - Residential solar installs get inspected by local AHJ first, then MEC employee meets with installer to witness test. Bob Buck has an application worksheet anyone is free to use.
- **ICCA - Greg Thorpe**
 - Membership for chapters is due, ILLOWA owes \$570.00.
 - Greg has a form about changes to the state plumbing code and energy code.
 - We are due for a renewal of our Preferred Provider status. The cost is \$200.00, motion made by Bob Buck to approve renewal, seconded by Jim Chapman; none opposed.
- **QCBR –**
 - Homeshow is on Feb 8th, 9th, and 10th. Please sign up to help man the booth.
 - Working with youths to promote trades with younger people. Roundtable coming up and HOT Expo is happening again in March.
- **IABO – Ray Nees**
 - Had a business meeting where Ron Hoover was presented with the lifetime achievement award. It was their 60th anniversary.
 - Ray and Bob attended a course in Des Moines; topics were egress, mixed occupancies, and disaster preparedness.
- **AGC – Steve Tondi**
 - Contractors use AGC website, make sure all jurisdictions are up to date with current info.
- **Fire Marshalls – Greg Marty**
 - No Update
- **ICC – Tim Schultz**
 - No Update
- **Code Corner –**
 - Discussion about treated plates buried in basement slab, Bettendorf is the only jurisdiction that will allow this practice, they will have a meeting with QCBR in Feb.
 - Steve Moller made motion to NOT recommend this technique but that it is specifically up to the jurisdiction, seconded by Drake Daley; none opposed. Motion passed as a suggestion to not allow treated plates be buried in concrete.
 - Ray and Terry Knutsen are happy contractors and ILLOWA are working together to make a decision and recommendation for code interpretation.
 - Discussion about treating mobile homes as manufactured homes. Treat as real homes with permits, inspections, etc.
 - Discussion about NEC 210.8 GFI personnel protection and 210.12 Arc Fault Protection.

Move to adjourn by Bob Buck; second by Tom Lupinski; meeting adjourned at 13:35 hours.

Respectfully submitted:

Joe Kuhlenbeck- Secretary
